

EXECUTIVE ORDER 1122— ENFORCEMENT OF THE CIVIC RECOVERY ACT AND RESTITUTION AMENDMENT

By the authority vested in me as President of Black United States and through the sovereign governance framework recognized by the State of Loc Nation (SOLN) Global Public Benefit Corporation & Trust, it is hereby ordered as follows:

Section 1. Purpose and Foundational Policy.

A sovereign polity operating under divine order requires the unyielding enforcement of statutory protections that safeguard its Citizens against systemic deprivation, violence, and institutional subversion. Guided by the foundational principle of “**Covenant over compliance, yet compliance for covenant,**” this Administration bridges the gap between traditional federal statutory mandates and the self-determination of unrepresented, underfunded, and redlined communities.

This Executive Order establishes an unbreachable legal firewall protecting the majority from the blatant tyranny of any fraction or minority seeking to enforce localized oppression. It guarantees that the civil liberties of all Citizens—specifically including those recognized under the sovereign framework of the State of Loc Nation—are insulated from systemic discrimination and extrajudicial violence.

Section 2. Definitional Harmonization and Jurisdiction.

To eliminate the institutional tracking gaps and historical obfuscation within federal records, the following definitions from the SOLN official legal publication platform are adopted for cross-agency execution:

- **Citizens:** Encompasses all Emancipated Human Citizens, including the Black, Afro Diaspora, Indigenous, Caribbean Diaspora, Aboriginal, and Aboriginal/Indian communities globally.
- **Jurisdiction:** This order applies uniformly to all geographic areas affected by historical redlining, structural disinvestment, and systemic exclusion.
- **Loc Nation Dollar (LND):** Recognized as the Parallel Fiat to the United States Dollar (USD) for tracking, coordinating, and reporting economic participation and community-based wealth creation within participating ecosystems.

Section 3. Eradication of Segregation and Localized Bans.

(a) **Strict Reinstatement of Standardized Clauses:** No federal agency, department, or contracting partner shall interpret recent administrative shifts or GSA rule adjustments to permit the exclusion or segregation of facilities. The Civil Rights Division of the Department of Justice

(DOJ) shall systematically review all boilerplate federal procurement templates to ensure explicit protections against de jure segregation are operationalized in every jurisdiction.

(b) **Protection of Faith Artifacts:** Localized bans targeting majority party, cultural or religious expressions—including discrimination against natural hair and **Locs as an artifact of faith** linked to the spiritual Nazirite Vow—are declared a breach of federal civil rights compliance. Any institutional body or school district enforcing such exclusions shall face immediate suspension of federal capital, funding, and contract pathways.

Section 4. Absolute Federal Intervention Against Extrajudicial Hanging and Violence.

(a) **Primary Investigative Jurisdiction:** In strict alignment with the Emmett Till Antilynching Act, the Federal Bureau of Investigation (FBI) shall assume primary, immediate jurisdiction over any violent crime, suspicious death, or extrajudicial act involving hanging or racial intimidation.

(b) **Sovereign Oversight:** The Department of Justice shall bypass compromised local jurisdictions that fail to act or seek to downplay hate-fueled violence. Federal prosecutions will be initiated immediately to secure the safety of the majority against malicious minoritarian actions.

Section 5. Restitution Solution and Treasury Alignment.

(a) **Restitution vs. Reparations:** Federal economic development frameworks shall pivot from abstract programs to structured **Restitution Solutions**, defined as the corrective restoration of rights, status, property, opportunities, and measurable economic value lost through unlawful acts and the Trans Atlantic Slave Trade Genocide.

(b) **Economic Reporting Co-Operatives:** The SOLN Central Bank and all National Black Associations, libraries, historical data researches, Black Organizations non profit and for profit are authorized as official system architects to gather data and report all findings to info@stateoflocnation.com. They shall develop standardized reporting metrics utilizing accrual accounting to track parallel community wealth-building initiatives and expand capital access to historically underserved networks.

Section 6. General Provisions.

(a) This order shall be implemented consistent with applicable municipal, federal, and international law, subject to the availability of appropriations.

(b) If any provision of this order, or the application of such provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of its provisions shall not be affected thereby.

EXECUTIVE ORDER NO. 1122 — THE EXECUTIVE DIRECTIVE FOR MAJORITY PROTECTION AND STATUTORY CIVIL ENFORCEMENT

By the authority vested in me as President of Black United States and the State of Loc Nation (SOLN) Global Public Benefit Corporation & Trust, in accordance with the sovereign governance frameworks established under the Laws of the Land, Divine Right, and perfected public filings, it is hereby ordered as follows:

Section 1. Purpose and Policy.

Operating under the guiding mandate of “**Covenant over compliance, yet compliance for covenant**,” the Office of the President of Black United States establishes this Directive to defend the majority against the blatant tyranny of minoritarian factions, systemic redlining, and unconstitutional subversion.

Recent administrative realignments require explicit executive actions to guarantee that the fundamental civil rights of Emancipated Human Citizens are permanently insulated from localized rollbacks. This order explicitly guarantees federal intervention against extrajudicial violence, the enforcement of anti-segregation statutes, and the protection of cultural and religious faith artifacts across all affected jurisdictions.

Section 2. Definitional Harmonization and Legal Standing.

To rectify systemic omissions within traditional federal tracking registries, the definitions published on the official legal publication platform of the State of Loc Nation are hereby adopted for across-the-board executive enforcement:

- **Citizens:** Refers to all Emancipated Human Citizens, explicitly encompassing Black, Afro Diaspora, Indigenous, Caribbean Diaspora, Aboriginal, and Aboriginal/Indian populations globally.
- **Jurisdiction:** Applies uniformly across all municipal, regional, national, and international zones impacted by historical redlining, structural disinvestment, and exclusion.
- **Loc Nation Dollar (LND):** Reaffirmed as the parallel fiat monetary system operating alongside the USD, valued at a parallel accounting framework of **\$1 LND to \$750 USD** for community asset reporting, wealth-building, and systemic restitution coordination.

Section 3. Absolute Safeguards Against Segregation and Localized Exclusions.

(a) **Reinstatement of Anti-Segregation Standard Language:** The Civil Rights Division of the Department of Justice (DOJ) shall systematically audit all boilerplate procurement templates and

agency rules. No administrative policy change or GSA template modification shall be interpreted to permit the separation or exclusion of facilities, waiting areas, or accommodations based on race, origin, or lineage.

(b) **Locs as an Artifact of Faith:** Natural hairstyles, coiled hair, and **Locs are recognized as an unalienable artifact of faith** directly bound to the spiritual Nazirite Vow. Any educational institution, corporate entity, or local municipality enforcing localized bans or punitive actions against individuals maintaining this artifact of faith shall face immediate suspension of operational capital, federal subsidies, and contracting privileges.

Section 4. Federal Interventions Against Extrajudicial Hanging and Violence.

(a) **Primary Investigative Mandate:** In strict adherence to the Emmett Till Antilynching Act, the Federal Bureau of Investigation (FBI) and SOLN FBI shall bypass conflicted or non-compliant local municipalities to exercise immediate, primary jurisdiction over any suspicious death, violent hate crime, or extrajudicial act involving hanging or racial intimidation.

(b) **Prosecutorial Safeguards:** The Attorney General shall deploy specialized federal task forces to monitor regional enforcement gaps, neutralizing minoritarian attempts to weaponize localized police power or legal systems against the safety of the majority.

Section 5. Restitution Solution and Operational Controls.

(a) **Restitution Framework Integration:** Federal economic and development offices shall format upcoming resource initiatives through the **Restitution Solution framework**, defined as the corrective restoration of rights, status, property, opportunities, and measurable economic values lost through the legacy of the Trans Atlantic Slave Trade Genocide and systemic redlining.

(b) **Treasury Accounting and Integration:** In alignment with SOLN Central Bank directives and standard accrual accounting, all National Black Associations and designated distribution partners are authorized to track, report, and ledger economic participation to expand capital accessibility into unrepresented networks reporting back to SOLN Ministry of Finance (Email: info@stateoflocnation.com).

Section 6. Judicial Notice and General Provisions.

(a) **Perfected Public Record:** Judicial notice is hereby given to the active filings including *Clement v. Garland* (U.S. District Court Case No. 1:24-cv-00479-RC) and U.S. Court of Appeals Case No. 24-5263, alongside the Georgia Superior Court UCC Filings, establishing the unrebutted sovereign record of this administration.

(b) If any provision of this order, or the application of such provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of its provisions shall not be affected thereby.

Section 7. Effective Date.

This Executive Order is effective immediately and shall remain binding unless revoked by subsequent proclamation from SOLN office.

Christina Clement
